Starting date of the event: 29/11/2017**Ending date of the event:** 02/12/2017**Event venue (city, country):** Miedzeszyn near Warsaw, Poland**Working language:** English**Number of places in total:** 40**Profile of participants:** representatives of schools, universities, vocational education and training institutions interested in realization of projects in the framework of Erasmus+ programme, key action 2, being able to work in English during workshops.**Themes and goals of the event:**This cross-sectoral TCA is organized within the frame of **horizontal priority for supporting of high-quality teaching and training**.

The thematic areas of the training are: teachers education, the introduction of new teachers to the profession, including mentoring for young teachers as well as further training of experienced teachers.

The event will be attended by participants representing the 3 sectors: responsible for teacher education (HE), their in-service training (VET) and teachers and school principals (SE). This means

that participants can conduct a comprehensive discussion on relevant topics - teachers education and further training.

During the event floor will be given to the participants for sharing their knowledge and experience. This will be facilitated by trainers experienced in conducting international trainings.

General goal of the event is to increase number of good quality projects concerning supporting of high-quality teaching and training.

Specific goals are:

- to exchange experience and perspectives by representatives of 3 sectors concerning the education of the current and future teachers and educators;
- to create groups which can submit projects to Erasmus+ and continue their cooperation.

Expected results:

Participants will broaden their knowledge concerning education of the current and future teachers and educators in different countries. Participants will find partners for projects and will create drafts of the projects.
